Michael GALKIN, aged 34, Russian merchant, arrived in Shanghai on June 29 from Dairen by the s.s. "Hoten Maru". He put up at the Burlington Hotel where he resided until July 7, when he left for an undisclosed address, probably in the French Concession. Before leaving the hotel, he intimated that he will return to the hotel after about ten days. It is believed that M. Galkin is connected with the "Harbinskoye Vremia", a pro-Japanese newspaper, published in Harbin.

Further enquiries proceeding.
